

Snuffle®

Walker = Welcome

Your guide to becoming a Snuffle Walker

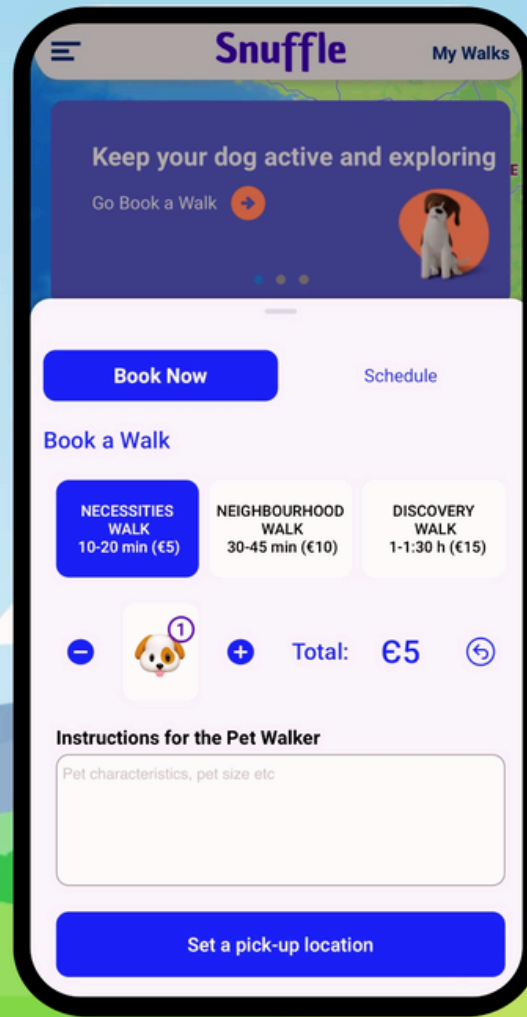

Thank you for your interest in becoming a **Snuffle Walker!**

At Snuffle, it's all about an **active lifestyle** for both people and dogs. Whether you're a seasoned walker or just love spending time with dogs, we're excited to have you join our growing **community**.

Welcome to Snuffle

15 Mins

Necessities Walk

Enjoy a little moment while someone else makes the usual dog walk.

30 Mins

Neighbourhood Walk

Let your dog loose some energy before you leave the home.

60 Mins

Discovery Walk

Win an hour of time back while your dog enjoys the outdoor.

Go For A Walk

1

Open the Snuffle APP and go to 'Switch to Walker' in the side menu.

2

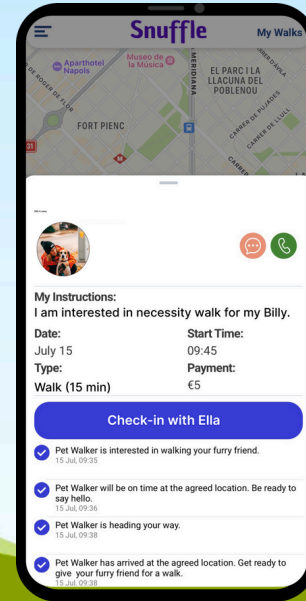

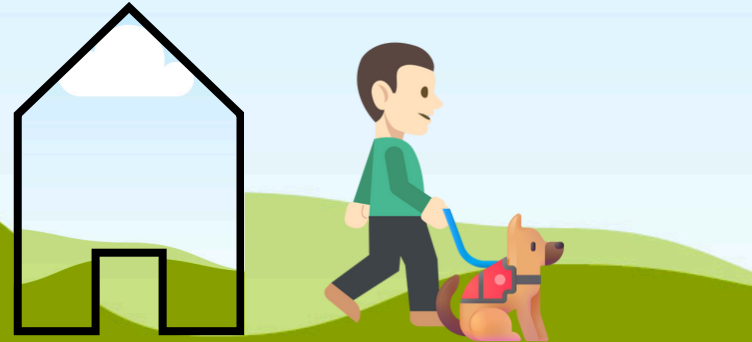

See which walks are requested and confirm the walk of your choice.

3

Confirm that you are 'On The Way' by pressing the blue button and head towards the agreed pick-up location.

4

Meet the Dog Owner and the Dog at the pick-up location. If all is safe, check-in by pressing the button and start the walk.

5

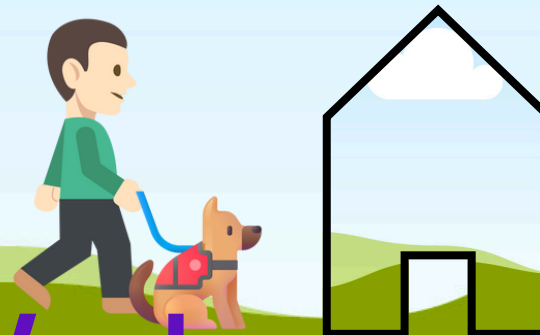

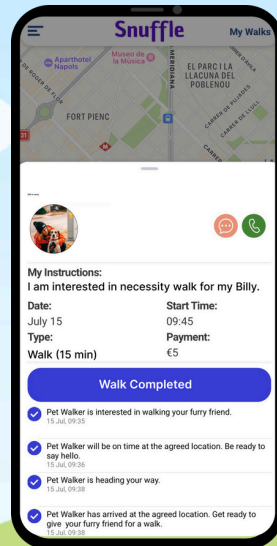

Choose a walking distance that is aligned with the walk booked (15-30-60 mins).

6

Snuffle now tracks your walk and you can communicate via chat and send images.

8

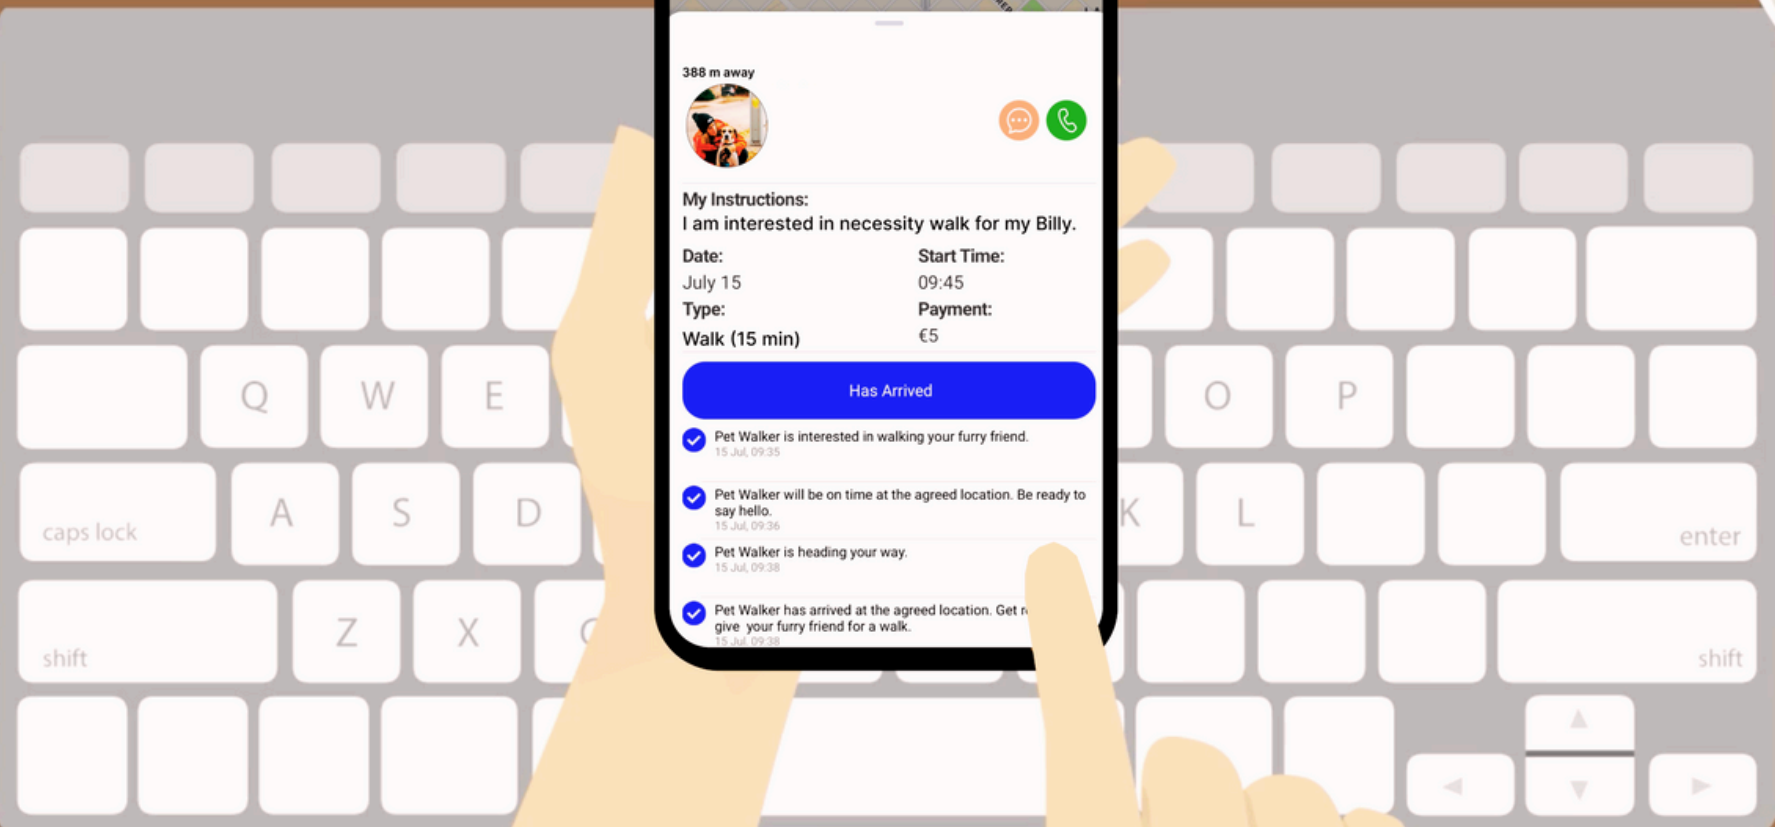

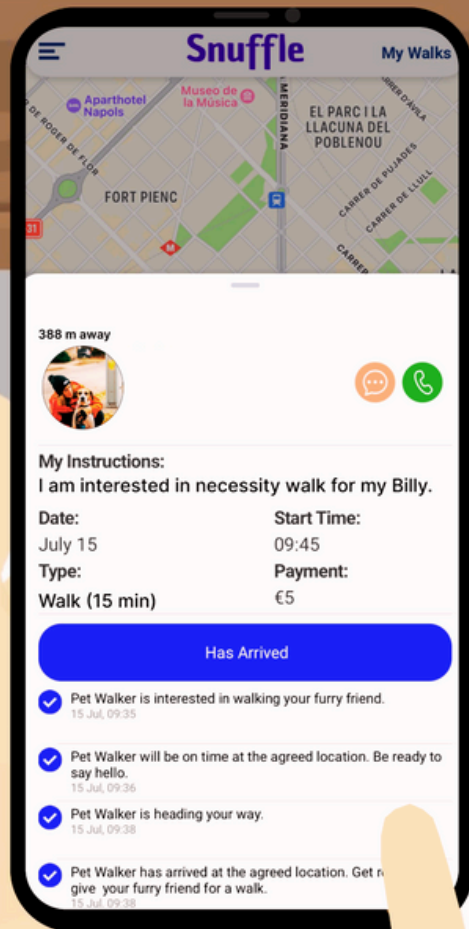

Bring the dog back to the owner and complete the walk by pressing the button.

7

Make sure to keep the dog leashed at all times and wear a light in case you are walking after dark.

How Does Snuffle Work

Be Punctual and Communicate

Timeliness builds trust with both dogs and their owners.

Stay Engaged

Every dog has different needs, so make sure to provide attention and care on each walk.

Keep It Clean

Bring bags and remember to clean up after the dog during walks – keep your community clean.

Tips For Success

Baggage

GA 12

1

Flexible Schedule: Enjoy the freedom to work when it suits you..

2

Great Earnings: Get paid to do what you love and stay active.

3

Trusted Community: Be part of a caring, reliable network of dog walkers.

4

Local Opportunities: Snuffle makes it easy to find walks near you.

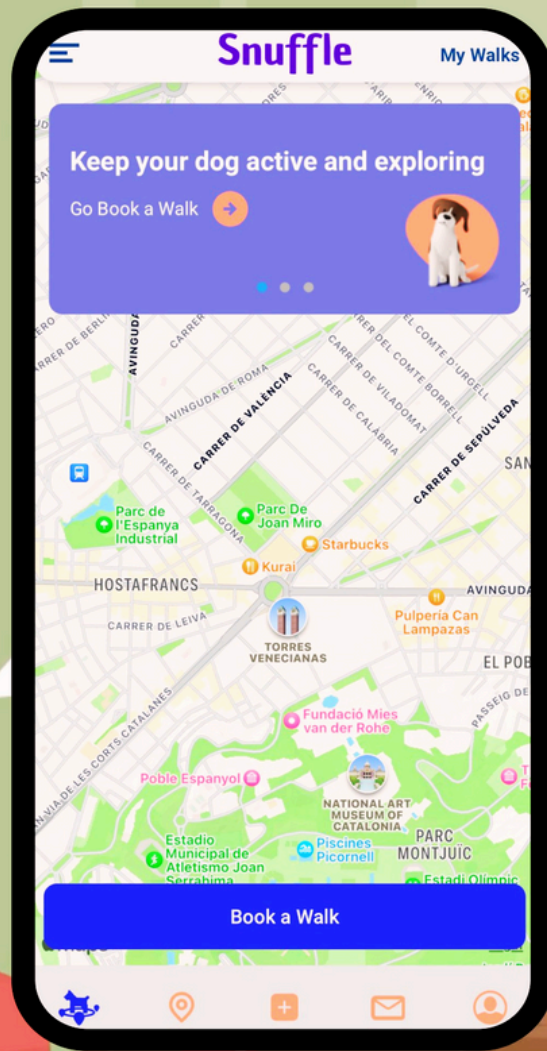

5

Track and Earn: Communicate easily with dog owners, and get paid quickly.

Walker Benefits

Keep the Dog Leashed

Always keep the dog securely on a leash to avoid potential accidents.

Be Visible After Dark

Make sure you and the dog are easily visible. Wearing reflective gear or a light helps.

In Case Of An Emergency

Stay calm and use the Snuffle app to contact the owner immediately. For medical emergencies, take the dog to the nearest vet clinic or follow the owner's emergency instructions.

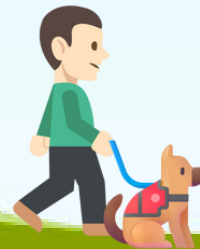

Please follow the guidelines provided by the dog owner and please don't feed the dog unless indicated differently by the dog owner.

Safety Guidelines

Join our meaningful community of walkers by inviting others to be a part of it, too! You can invite potential Snuffle Walkers directly through the app and earn rewards. Plus, attend our fun **Snuffle Walk Events**, where you can bring friends who love dogs and introduce them to the community!

The Snuffle Experience
